

Oasis Elementary North AFTER-SCHOOL CLUBS

If a club is sponsored, club applications will become available. Due to limited spacing, applicants will be chosen via lottery (with the exception of Drama Club and cheer).

Our mission is to foster educational enrichment and community engagement by inviting local businesses to partner with our elementary school to sponsor our afterschool clubs enrichment program. Through this sponsorship program, businesses not only contribute financial resources but also offer real-world insights and opportunities for hands-on learning.
