- Capital Outlay (Purchases include 2 buses, software and copier equipment, IT hardware, basketball hoop motor replacement, kitchen warmers, and kitchen upgrades)
- Leases
- Conclusion
- The FY2026 Proposed Operating Budget is \$37,919,940, representing a 7.81% increase over the FY2025 Adopted Operating Budget of \$35,171,500.
- The Final Tentative Budget will be presented in June 2025 to the Charter School Authority Governing Board for approval and will be incorporated into the City of Cape Coral Public Hearings for final approval in September 2025.

Discussion held:

Chair Jackson inquired about the 99% budgeting practice, is it still recommended?

Mgmt. Budget Administrator Reitler explained they were comfortable at 99% and monitoring actuals. Staying on top of the FEFP (Florida Education Finance Program) count for those revenues. There will be grants and other revenues that may come in throughout the year.

Chair Jackson asked about the 60% LCI funds, has it produced what we anticipated?

Mgmt. Budget Administrator Reitler explained for 2025, we received \$90,000 more. It is based on the valuation for the Lee County District. Any adjustments could be addressed in a Budget Amendment.

Chair Jackson inquired about the increase in the budget by 7.81%. Where did we make up that difference?

Mgmt. Budget Administrator Reitler explained there is an increase for the before and aftercare along with a full realignment of the budget and expenditures. This gave us the ability to plan better for the future and be more structurally sound in the future.

Member Atisele inquired about Slide 7 – Before and Aftercare, Staff to support the program.

Mgmt. Budget Administrator Reitler explained the costs for the program have already been incorporated into this budget presentation.

Member Kilraine inquired about enrollment. If we had no constraints economic or size wise, do we have a pent-up demand at every level?

Mgmt. Budget Administrator Reitler responded in the affirmative for enrollment. There is a spatial issue when it comes to not being able to add more students. She explained E-Rate involves IT needs, grant provided for those costs identified within the budget.

Member Kilraine inquired about the PECO funds. Do we anticipate it to drop or continue?

Mgmt. Budget Administrator Reitler explained:

- No additional direction on LCI or PECO once we hit the maximum 100% in 2028.
- LCI was around \$4.5M, PECO was the other offset
- Calculation works backwards into it.
- LCI would pick up everything and PECO would fall off
- But we would still get that total amount of PECO and LCI

Member Kilraine inquired about anticipating the combination of the two to be less than what might be in 2028.

Mgmt. Budget Administrator Reitler explained at this moment in time we have no direction that it will change. If adjustments are needed, it will be addressed with a Budget Amendment or during the upcoming budget cycle.

Member Kilraine inquired about the salary increases and a survey in the next few years. What are the plans? Do we have satisfaction at this level?

Superintendent Collins explained there is a good satisfaction level. There is concern seeing what Lee County does for increases in the future. We do not know what to expect. Every year there is a 1% increase, and she mentioned end of year bonuses. These things keep people happy.

Member Kilraine wants to make sure we are able to maintain control in the loss of employees, have other incentives.

Superintendent Collins discussed the creativity in the classroom also helps maintain the staff in addition to what they offer in salary.

Chair Jackson explained if we did have the room to grow, it appears that what we are receiving in LCI and PECO would offset costs.

Member Katine inquired about Page 5 – Budget Overview, specifically actual and adopted miscellaneous revenues with a spike in 2026, then, it is comparable for 2027 and 2028. She wondered about the difference.

Mgmt. Budget Administrator Reitler explained in 2026-2028 the increase in the miscellaneous revenues is for the before and after care program that we did not have in 2025.

Member Katine wondered if something was taken away in 2024-2025.

Mgmt. Budget Administrator Reitler explained there are certain items that come under Miscellaneous that increase the overall actuals. We budget conservatively for certain items. We are able to maintain a good balance moving forward because we added the before and after care program.

Member Katine had similar questions with the expenditures decrease in 2025 for the capital outlays, increase in 2026, then drops down in 2027-2028. Was it associated with the before and after care program?

Mgmt. Budget Administrator Reitler explained not completely. In 2025 we leased buses versus purchasing. In 2026 we will move forward with the purchase of two full buses.

Chair Jackson explained other schools do not have City Staff and struggle with audit findings needing presentation to the School Boards. We are very fortunate. He thanked City Finance Staff for having a balanced budget and not to have to worry about audits.

Discussion held regarding the first kilowatts that is used for the Charter School Building.
