

We would like to inform you that we are beginning the process of categorizing and inventorying all books in our classroom libraries. This process will help us maintain an organized and accurate inventory of the books available to our students.

**All classroom libraries will be
TEMPORARILY CLOSED**

as we complete this important task.

We appreciate your patience and understanding.

Please know that our main school media center will remain open, and students will continue to have access to books through this resource.

We also encourage families to visit their local public libraries and take advantage of the many books and reading opportunities available.

Thank you for your continued support.
