

## FOR IMMEDIATE RELEASE

### Oasis Charter Schools to Host 3rd Annual Elementary Robotics Competition

Cape Coral, Florida — March 13, 2026 — The City of Cape Coral Oasis Charter Schools will host its 3rd Annual Elementary Robotics Competition on Saturday, April 18, 2026, from 8:30 a.m. to 12:30 p.m. in the Oasis High School gymnasium at 3519 Oasis Blvd., Cape Coral.

Elementary students from across Oasis campuses will showcase robots they have designed and programmed while competing in an exciting “battle of the robots.” The event encourages creativity, teamwork, and hands-on STEM learning.

“This competition highlights the creativity and problem-solving abilities of our students and helps inspire the next generation of innovators and engineers,” said Superintendent Jacquelin Collins.

Families, community members, and robotics enthusiasts are invited to attend and cheer on the teams. Concessions and free Wi-Fi will be available.

Join Oasis Charter Schools for a morning of innovation, teamwork, and fun as young engineers put their robotics skills to the test.
