

START HERE. GO EVERYWHERE.

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring test that is administered three times per year to track your student’s progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards. The purpose of this letter is to inform you that your student will participate in the third administration (PM3) of the Grades 3-5 Florida Assessment of Student Thinking (FAST) assessments on the following dates. The results from PM3 will show how well your student has mastered the grade level content standards, and you will be provided with information about how to access the results after testing is completed.

Tuesday, May 5	3 rd - 5 th Grades: ELA Reading
Thursday, May 7	3 rd - 5 th Grades: Math

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get easier or more difficult depending on how your student responds, and each student will see different questions from a common item bank. Each test (PM1, PM2, and PM3) has 35–40 items that cover the test “blueprint,” meaning students will see items that measure the standards within the subject and grade level. For more information about the test design, please visit <https://www.fldoe.org/accountability/assessments/k-12-student-assessment/best/>. You or your student can practice using the online testing platform or review sample items at home at <https://flfast.org/families.html>.

Please review the following policies with your student before testing:

- **Electronic Devices**—Students are not allowed to access any electronic devices, including, but not limited to, cell phones, smart glasses, and smartwatches, at any time during testing or during breaks (e.g., restroom), **even if the devices are turned off or students do not use them.** Students may not wear smart glasses during statewide testing, even if they are prescription glasses. Students with prescription smart glasses will need to remove them or test another day with standard glasses. If your student is found with an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her test will be invalidated (not scored).
- **Calculator Policy**—For Grades 7–8 FAST Mathematics assessments, approved platform based scientific calculators may be used. For Grade 6 FAST Mathematics, an approved platform based four-function calculator may be used. No calculators are used in Grade 5.
- **Testing Rules Acknowledgment**—All tests include a Testing Rules Acknowledgment that reads: “I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.” Prior to testing, test administrators read the rules to students, and students click a box in the test to show that they understand the testing rules.

- **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they click the box to accept the Testing Rules Acknowledgment states that because the content of all statewide assessments is secure, students may not discuss or reveal details about the test content (including test items and passages) after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites. Please make sure your student understands this policy prior to testing and remind them that “discussing” test content includes any kind of electronic communication, such as texting, emailing, posting to social media, or sharing online. **While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.**
- **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated (not scored).
- **Leaving Campus**—If your student leaves campus before completing a test (e.g., for lunch, an appointment), he or she **will not** be allowed to return to that test. If your student does not feel well on the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please remember not to schedule appointments on testing days.
- **Arriving Late** - If your student arrives late to school and testing for the day has already begun, school administration will determine a safe location for your student to wait until they can rejoin their class and testing concludes. Your student will then have the opportunity to test on a subsequent day within the state testing window.
- **Testing Accommodations**—If your student has an Individual Educational Plan (IEP), a Section 504 Plan, or is an English Language Learner (ELL) or a recently exited ELL, please contact the school to discuss any testing accommodations that will be provided for your student.
- **Testing Irregularities**—If a testing irregularity occurs in your student’s testing room, as part of a school investigation, your student may be asked questions to provide information about the incident. In addition, your student may need to retake the test if a suspected irregularity is reported that may affect the validity of the test results.
- **Extra Time**—Any student still working at the end of the allotted time for the session will be provided extra time, as allowed, to complete the test. However, based on directions from the district, students who are not actively working (e.g., sleeping) at the end of regular time may be dismissed rather than being given extra time.

If you have any questions related to this test administration, you may contact Amy Ursitti at 239-283-4511, x7355. For more information about the FAST program, please visit the portal at <https://flfast.org/fsa.html>.

We request that you please make every effort to have your child present and on time for test days. Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Kevin Brown
Principal
